Approved for food packaging by the U.S. Food and Drug Administration and by Canadian Agencies. Eco Guardian compostable products (green table) are Biodegradable Products Institute (BPI) Certified compostable in industrial facilities according to ASTM D6400 and/or D6868. Check locally, as these do not exist in many communities. Not suitable for backyard composting. Our factories are highly regulated and meet the requirements of ISO 9001:2008, 22000:2005, 14001:2004, HACCP, SA8000, EN 13432, and BRC Global Standards. Packaging is not compostable.
